

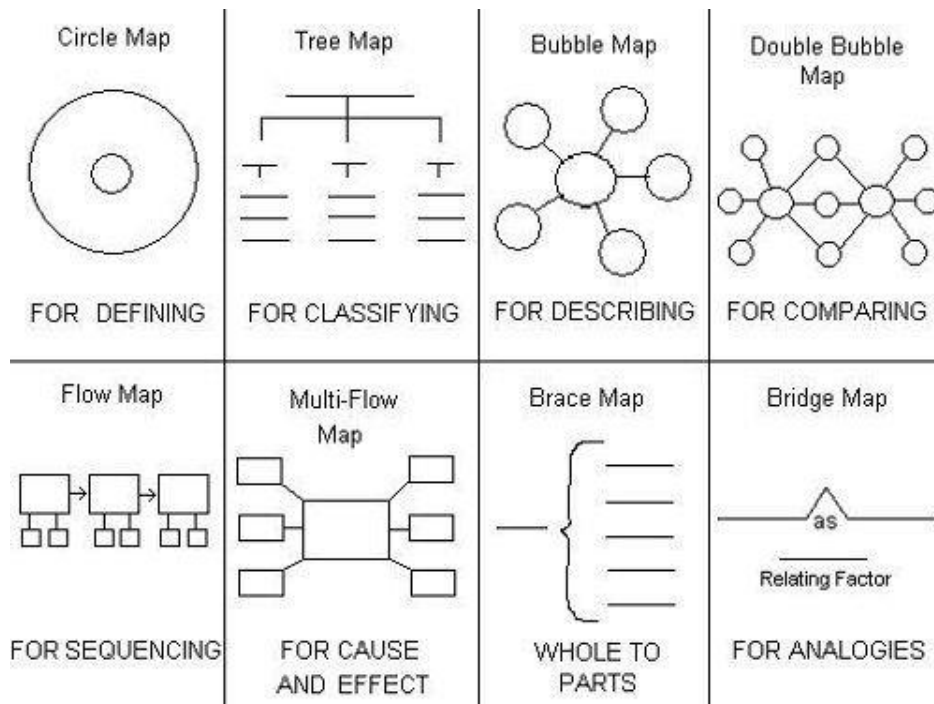

Graphic Organizers

What are they?

- Visual tools for learning.
- be used to organize information.
- Helps map thinking about a topic.
- Encourages thought in decision making.
- Interactive ways to create study guides from notes.

How many are there and what do they look like?

There are eight different kinds of graphic organizers and they each have their own purpose!

If you would like more information, schedule a study skills appointment in the Pirate Academic Success Center!

“Thinking is the hardest work there is, which is probably the reason why so few engage in it.” – Henry Ford
