

# Self-Test Techniques

## Why should I self-test?

- To determine your strengths.
- To explore your weaknesses.
- To know how to prepare for studying.
- To create questions to be asked during Office Hours.
- To learn what topics you still need to focus on.
- To identify areas of concern before the test

## How can I self-test?

- Notecards/Flashcards
- Practice Exams
- Livescribe Pen
- Previous Exams provided by your professor
- Quizlet
- Study Guides
- Create test-questions from your notes
- Study Buddies
- Tutoring session at the PASC
- Check the Publisher's website
- Online bank for test questions

## When should I start self-testing?

THE SOONER THE BETTER! Start well before the exam so that you have ample time to prepare and schedule tutoring appointments with the Pirate Academic Success Center!

"Everything in your life is a reflection of a choice you have made. If you want a different result, make a different choice." – Anonymous
